## BELIEFS

*I believe that personal wellness will lead to community wellness.*

*To be a good leader one must possess the basic skills of communicating effectively and respectfully.*

*We must focus on getting to "YES" to achieve success.*

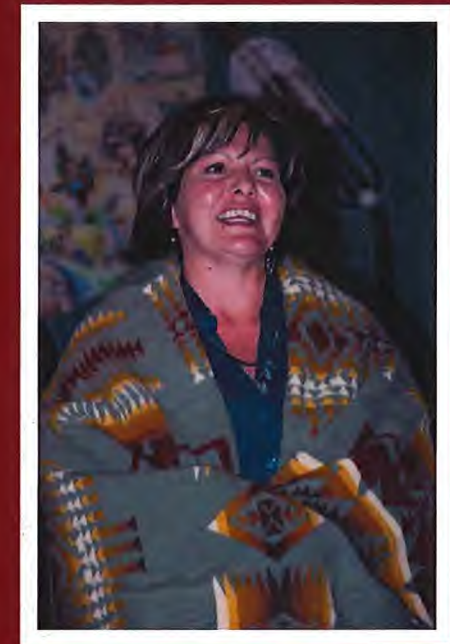

It is important to me to have balance in my life always, ensuring that I am being the best that I can be, always remembering who I am, where I came from, and how I got to where I am today.

I believe in myself, our community, and **OUR PEOPLE!**

## ACTION

*I invite you to share your ideas and help shape the priorities for the next three years. Together, we can do this, we can achieve change now.*

Together we will advance priorities through necessary actions.

Proven success we created with your involvement is our own Matrimonial Real Property Law and next we will explore Jurisdictional opportunities to address our community needs on education, health, and infrastructure, and implement a plan that will improve needed services for our elders and youth. Together we will achieve.
