Job Posting

Audio Video Technician

Nature and Scope of Work

Chief Atahm School is looking for a highly qualified, dependable and experienced audio-video technician. This person will work within a curriculum team to record Secwepmetsin language. The video and audio recording will be in a sound room as well as land based.

Chief Atahm School is based on Secwepemc history, language and culture. The recordings will be used to develop AV productions, e-learning, cd/dvd products and other learning resources,

The tasks for this position will include;

- Participate in curriculum team meetings
- Develop a recording workplan for projects
- Video and audio recordings of fluent Secwepemc speakers
- Label and archive the recordings

Qualifications: Knowledge, Skills and Abilities

- Diploma in Audio Video Technology or related field (an asset)
- Experience with the operation and care of a digital video camera
- Knowledge and experience in sound booth and field recording
- Experience in Final Cut Pro video software or related programs
- Strong time management and organizational skills
- Knowledge of Secwepmetsin (an asset)
- Acceptable criminal records check

Pay Scale: Commensurate with experience and qualifications

Duration: This position ends on March 29, 2019. (with potential extension)

Interested applicants please direct resumes to:

Robert Matthew, Director of Education, Adams Lake Indian Band

Only those possessing the posted requirements will be shortlisted and only those shortlisted will be notified for interviews.

- In person, drop off at the Adams Lake Band Office reception desk
- By email to rmatthew@alib.ca
- The deadline for applications is February 14, 2019, 12 pm
