

POSITION SPECIFICATION

POSITION TITLE: Batch Plant Operator

LOCATION: New Afton Mine, located 10km west of Kamloops, BC.

Kamloops is a city of 90,000 people, located 350km east of Vancouver. The area provides the opportunity to live and work in a vibrant community with its own University and within easy reach of world class ski resorts, championship golf courses, mountain biking trails, popular recreational lakes and award winning vineyards.

New Gold is a Canadian-focused intermediate gold mining company. The company has a portfolio of three producing assets in top-rated jurisdictions. The New Afton and Rainy River Mines in Canada, and the Cerro San Pedro Mine in Mexico (which transitioned to residual leaching in 2016), provide the company with its current production base. In addition, New Gold owns 100% of the Blackwater project located in Canada. New Gold's objective is to be the leading intermediate gold producer, focused on the environment and social responsibility. Our Values drive every decision and action we take at New Gold:

Integrity: Do what's right

Creativity: Lead with innovation

Commitment: Deliver

Develop our employees: Commitment to personal development

Teamwork: Leverage our collective skills
