New Gold attracts and hires highly skilled individuals. By joining our team, you can look forward to:

- A stimulating values-based work environment
- A culture of collaboration and inclusion
- Inspiring colleagues and approachable leaders
- Career development opportunities
- A deeply rooted commitment to responsible mining, health and safety and community engagement
- A competitive total compensation program
- A comprehensive benefits package including a retirement savings plan

New Afton Mine

Situated 10 kilometers west of Kamloops, British Columbia, the New Afton Mine is an underground gold and copper producing site.

Kamloops is a city of 90,000 people, located 350 kilometers east of Vancouver. The area provides the opportunity to live and work in a vibrant community with its own university and within easy reach of world class ski resorts, championship golf courses, mountain biking trails, popular recreational lakes and award-winning vineyards.

About The Role

Shift Schedule: 7 on, 7 off, 11 hour shifts

Position Reports To: Electrical & Instrumentation Supervisor

Position Overview

As an integral part of New Gold's maintenance team, the HVAC Labourers are responsible for ensuring all scheduled filter changes are completed daily and are required to do other labour type tasks in all areas of the mine, including underground, process plant and surface buildings.

Key Responsibilities

- working with both the electrical and mechanical groups to maintain filter systems on various equipment
- completing small maintenance repairs as needed

Maintenance and reliability are at the core of all work completed by the HVAC department. Meaning we strive to do the right things for the right reasons at the right time.

Qualifications

The qualified candidate will possess their Grade 12 diploma at minimum and must have 1-3 years industrial site experience with exposure to fixed plant type equipment.

The preferred candidate will:

- have a vested interest in a maintenance trade coupled with a team mentality and willingness to learn
- be a motivated self-starter as they will be primarily working alone
- ensure proper documentation through warehouse is kept up to date for stocking purposes
- be a leader in safety and demonstrate a proactive approach to safety to ensure that everyone goes home safe and healthy at the end of each day
- possess excellent interpersonal and communication skills which are imperative to working within our team environment
- have the ability to adapt seamlessly to changing work and environmental conditions

Preference will go to candidates with previous documented work experience working with underground, process plant and/or surface industrial environments as well as maintenance systems.

Other Requirements

Candidates will be required to participate in a comprehensive qualification process, including:

- Successful completion of pre-placement functional screen
- Provide proof of a valid Class 5 driver's license
- Demonstrate eligibility to work in Canada
- Provide confirmation of valid educational requirements

Successful candidates will be required to relocate to the Kamloops area or bear the cost of travel and local accommodation.

We thank all applicants for their interest but will only contact candidates selected to advance in the hiring process. New Gold does not accept resumes from employment placement agencies, head-hunters or recruitment suppliers that are not in a formal contractual arrangement with the Company. Any resume or other information received from a supplier not approved by New Gold will be considered unsolicited and will not be considered.

Inclusion, Equal Opportunity, Accessibility

New Gold is an equal opportunity employer committed to diversity and inclusion. We are pleased to consider all qualified applicants for employment without regard to race, color, religion, sex, sexual orientation, gender identity, national origin, age, disability, protected veterans' status, Indigenous status or any other legally protected factors. Disability-related accommodations during the recruitment process are available upon request.
