## COVID-19 ANNOUNCEMENT

March 24, 2020

Update to our communities:

As you know we have all been ordered to stay at home and maintain physical distancing if we do have to leave our homes. This is an order from the Provincial Health Officer and has to be followed.

Therefore, Q'wemtsín Health Society remains closed but we are providing essential services. The phone is being answered for anyone that needs to speak with the GP/NP or the mental health wellness worker.

We have created an educational package in regards to self isolation, decreasing the spread and how to disinfect. We have put boxes of these at the mailboxes found in front of Little Fawn and another at the park bulletin board. Please help yourself and call the office if you have any questions.

It's imperative that we all do as ordered to attempt to decrease the quick spread of COVID 19. Stay at home and protect your family and loved ones!!
