

BURNING SEASON

March 24th to April 30th 2020

PERMITS NOT REQUIRED

Failure to comply with the following TteS Fire Prevention Bylaw terms will result in a fine.

1. Shall **only** burn grass, weeds, garden waste, tree clippings, dead leaves and dead grass resulting from the cleaning of gardens and yards.
2. Shall ensure the fire is contained on the property.
3. May only burn during daylight hours and extinguish the fire by dark.
4. Shall place a competent person at all times in charge of such fire until it has been completely extinguished.
5. Provide person with sufficient equipment and water supply on order to prevent the spread of fire.
6. Shall ensure that the fire will not cause damage to life and property.
7. Shall not start a fire when weather and wind conditions are such that to do so is likely to create a nuisance.
8. Shall burn only when the venting index has been issued as burning acceptable.
9. Smoke ventilation index must be at a value of **55 or greater**.
