**Chief and Council – COVID-19 – Band Member Financial Support Cheque**

**MOTION:**

Because of continued challenges with purchasing groceries along with escalating numbers of confirmed COVID-19 cases, lack of tests and issues with social distancing, Chief and Council approve the issuance of a \$200.00 cheque for all Band members over the age of 18 for immediate distribution via mail. That existing food supplies will be distributed by household on reserve for Elders, the vulnerable, the single parents and all others in need. This is based on supplies and goods that are available. This is to assist all of our Band members during this time of crisis. Future distribution will be considered and reviewed based on the length of time of the pandemic and on available financial resources.
