### **SUBJECT: Speed Limit Reminder**

Tkemlúps te Secwépemc Chief and Council are concerned about the rising number of complaints from residents and local businesses regarding speeding on the Reserve. We urge you to remind your employees, contractors, and guests to adhere to the posted speed limits and obey all Stop (Estil) signs.

The speed limits in our business and residential neighbourhoods are posted:

- **30km/h**
- **50 km/h**

With the school year beginning after the September long weekend, we must remind you to take extra caution; be aware of the increased foot traffic of students who will be boarding or exiting school buses, as well as other pedestrians. A reminder that it is mandatory to stop when school buses have their red lights flashing and the stop arm is extended.

Community safety is a priority and we thank you in advance for your attention and cooperation with this important matter. Should you have any questions or concerns, please do not hesitate to contact our offices directly.

Yours truly,  
**Tkemlúps te Secwépemc**
