New Gold attracts and hires highly skilled individuals. By joining our team, you can look forward to:

- A stimulating values-based work
- A culture of collaboration and inclusion
- Inspiring colleagues and approachable leaders
- Career development opportunities
- A deeply rooted commitment to responsible mining, health and safety and community engagement
- A competitive total compensation program
- A comprehensive benefits package including a retirement savings plan

New Afton Mine

Situated 10 kilometers west of picturesque Kamloops, British Columbia, the New Afton Mine is an underground gold and copper producing site.

Kamloops is a city of 90,000 people, located 350 kilometers east of Vancouver. The area provides the opportunity to live and work in a vibrant community with its own university and within easy reach of world class ski resorts, championship golf courses, mountain biking trails, popular recreational lakes and award-winning vineyards

About The Role

Schedule: 7 on 7 off, rotating days and nights, 11-hour shifts

Position Reports To: Underground Shift Supervisor

Position Overview

New Afton is looking for highly motivated individuals with considerable mechanical aptitude to join our Mine Operations department. Reporting to their Underground Shift Supervisors, Underground Miners are responsible for operating equipment, constructing infrastructure, and various labour tasks underground.

Key Responsibilities

The main responsibilities of the position are to safely complete construction tasks such as concrete forming and pouring, and ground support installation. Equipment operation will include Toyota, skid steer, scoop, backhoe, transmixer, and concrete pumps.

Qualifications

- High school diploma or equivalent;
- Has considerable mechanical aptitude and experience running heavy equipment;
- Experience in residential/commercial construction, carpentry, pipefitting, and/or concrete finishing is essential;
- Preference will be given to candidates with underground or surface mining experience and/or high degree of knowledge and familiarity with mining processes;
- Other industrial experience is considered an asset;
- A valid Class 5 driver's license and access to personal transportation is also required.

Other Requirements

Candidates will be required to participate in a comprehensive qualification process, including:

- Successful completion of pre-placement functional screen
- Provide proof of a valid Class 5 driver's license
- Demonstrate eligibility to work in Canada
- Provide confirmation of valid educational requirements

Compensation

A competitive salary, performance bonus plan and benefits will be provided. This is not a camp operation and therefore the successful candidate will be required to relocate to the Kamloops area or travel and accommodation will be the responsibility of the successful applicant.

Inclusion, Equal Opportunity, Accessibility

New Gold is an equal opportunity employer committed to diversity and inclusion. We are pleased to consider all qualified applicants for employment without regard to race, color, religion, sex, sexual orientation, gender identity, national origin, age, disability, protected veterans' status, Indigenous status or any other legally protected factors. Disability-related accommodations during the recruitment process are available upon request.

Additional Information

We thank all applicants for their interest but will only contact candidates selected to advance in the hiring process. New Gold does not accept resumes from employment placement agencies, head-hunters or recruitment suppliers that are not in a formal contractual arrangement with the Company. Any resume or other information received from a supplier not approved by New Gold will be considered unsolicited and will not be considered.
