Indigenous Monitor Employment Opportunity

Trans Mountain Expansion Project

POSITION TITLE: Indigenous Monitors (2 positions)

DEPARTMENT: Natural Resources

SUPERVISOR: Natural Resources Manager

TERMS: Full Time Term to 2022

REFERENCE #: 2020 -076

Opportunity to work on the Trans Mountain Expansion Project as an Indigenous Monitor.

If you are interested in being a Monitor or in being mentored into the position, you are encouraged to apply

Inquire about mentorship and training programs today!

Background

The Trans Mountain Expansion Project (TMEP), through its project management contractor Stantec, is seeking candidates for Indigenous Monitors to participate in on-going construction monitoring as part of daily environmental inspection activities. The position is field based throughout the duration of Trans Mountain Expansion Project construction within the Reactivation 2 (Darfield to Black Pines) and Spread 5 region (Kamloops/Merritt/Fraser Valley areas).

The Position

The Indigenous Monitor position is part of the Trans Mountain construction Environmental Inspection team during construction. Duties include:

- Working with the Environmental Inspectors to monitor the implementation of approved environmental protection measures by construction contractors.
- Focusing particularly on traditional land use and cultural/heritage protection measures while monitoring.
- Reviewing Project environmental reference documents (support to be provided) on regular basis to understand upcoming areas of construction and required environmental protection measures.
- Providing feedback to the Environmental Inspectors about whether protection measures are working effectively.
- Attending daily morning meetings.
- Submitting daily reports at the end of each shift.
- Participating in reporting back to the Band on the Indigenous Monitor work

Experience and knowledge required*

- Knowledge of traditional land and resource use and/or cultural/heritage interests
- Knowledge of basic pipeline right-of-way or utilities construction
- Experience in or applied knowledge of environmental field work (e.g., wildlife, aquatics, plants, soils, archaeology)
- Ability to take notes and prepare a daily report
- High school completion or equivalent

**TMEP may offer paid training programs if you are interested in applying but may not have all experience required. Please inquire about available training programs and mentorship opportunities.*

Additional requirements

- Completion of a pre-access drug and alcohol test
- Willing to follow all Project policies and health and safety requirements
- Hold a valid driver's license
- Be a member of **Tk'emlúps te Secwépemc**

Why should you apply:

- ✓ Competitive salary
- ✓ Comprehensive Benefits Package
- ✓ Flexible shifts available
- ✓ Training opportunities
- ✓ Gain work experience related to environmental inspection on construction of large scale pipeline project
- ✓ Represent and support **Tk'emlúps te Secwépemc** interests on the Project
- ✓ Transportation, accommodation and meals will be covered (based on expense allowances)

Tk'emlúps te Secwépemc thanks all applicants for their interest, however, only those selected for an interview will be contacted.

In accordance with Section 16(1) of the *Canadian Human Rights Act* and pursuant to Section 42 of the BC Human Rights code, it is TteS Policy to practice preferential hiring for Aboriginal peoples. Candidates who wish to qualify for preferential consideration must self-identify.

Deadline for the Job posting is November 23, 2020 by 2:00 pm
