New Gold attracts and hires highly skilled individuals. By joining our team, you can look forward to:

- A stimulating values-based work
- A culture of collaboration and inclusion
- Inspiring colleagues and approachable leaders
- Career development opportunities
- A deeply rooted commitment to responsible mining, health and safety and community engagement
- A competitive total compensation program
- A comprehensive benefits package including a retirement savings plan

New Afton Mine

Situated 10 kilometers west of picturesque Kamloops, British Columbia, the New Afton Mine is an underground gold and copper producing site.

Kamloops is a city of 90,000 people, located 350 kilometers east of Vancouver. The area provides the opportunity to live and work in a vibrant community with its own university and within easy reach of world class ski resorts, championship golf courses, mountain biking trails, popular recreational lakes and award-winning vineyards.

About the Role

Schedule: 7 on, 7 off, alternating days and nights

Position Reports To: Mobile Maintenance Supervisors

Position Overview: The Mobile Maintenance Lube Technician will provide support to the Mobile Maintenance department by troubleshooting and performing light repairs, along with ensuring lubrication upkeep of underground equipment.

Key Responsibilities

- Lubrication upkeep of underground mobile mining equipment
- Light repairs, troubleshooting, adjustment and maintenance of underground mobile mining equipment
- Working in an underground mining environment
- Operation of lubricant transport vehicles

- Organization of lubricants and lube routes
- Communicate effectively with Maintenance and Operations personnel
- Monitor equipment condition and report thoroughly to Supervisor

Qualifications

- Trades ticket in a mechanical related program (i.e. Automotive Mechanic, Truck & Transport Mechanic, Marine Technician, etc.)
- Strong interest and experience in heavy equipment maintenance
- Industrial experience, preferably in mining
- Demonstrated leadership in safety
- Must be able to work in a team environment
- Demonstrate a strong drive to learn new skills
- Possess a willingness to take on progressively more responsibilities as they grow and develop with the company
- Experience with underground mining equipment is considered an asset

Other Requirements

Candidates will be required to participate in a comprehensive qualification process, including:

- Successful completion of pre-placement functional screen
- Provide proof of a valid Class 5 driver's license
- Demonstrate eligibility to work in Canada
- Provide confirmation of valid educational requirements

Compensation

A competitive salary, performance bonus plan and benefits will be provided. This is not a camp operation and therefore the successful candidate will be required to relocate to the Kamloops area or travel and accommodation will be the responsibility of the successful applicant.

Inclusion, Equal Opportunity, Accessibility

New Gold is an equal opportunity employer committed to diversity and inclusion. We are pleased to consider all qualified applicants for employment without regard to race, color, religion, sex, sexual orientation, gender identity, national origin, age, disability, protected veterans' status, Indigenous status or any other legally protected factors. Disability-related accommodations during the recruitment process are available upon request.

Additional Information

We thank all applicants for their interest but will only contact candidates selected to advance in the hiring process. New Gold does not accept resumes from employment placement agencies, head-hunters or recruitment suppliers that are not in a formal contractual arrangement with the Company. Any resume or other information received from a supplier not approved by New Gold will be considered unsolicited and will not be considered.
