- A stimulating values-based work
- A culture of collaboration and inclusion
- Inspiring colleagues and approachable leaders
- Career development opportunities
- A deeply rooted commitment to responsible mining, health and safety and community engagement
- A competitive total compensation program
- A comprehensive benefits package including a retirement savings plan

New Afton Mine

Situated 10 kilometers west of picturesque Kamloops, British Columbia, the New Afton Mine is an underground gold and copper producing site.

Kamloops is a city of 90,000 people, located 350 kilometers east of Vancouver. The area provides the opportunity to live and work in a vibrant community with its own university and within easy reach of world class ski resorts, championship golf courses, mountain biking trails, popular recreational lakes and award-winning vineyards.

About the Role

Schedule: 4 on, 3 off, 10 hour days

Duration: 12 months

Position Reports To: Fixed Plant Maintenance Superintendent

Position Overview

The Fixed Asset Maintenance Planner is a critical role in the success of plant operations. This role requires someone with excellent relationship building, planning, and leadership skills who is excited to join a world class operation.

Key Responsibilities

- Executing the Maintenance Process Flow for planning and scheduling, producing detailed work plans and coordinate resources, updating strategy documents and BOM's, and providing leadership on redesigns that will reduce maintenance costs and downtime.
- Supervising maintenance crews and projects as needed, and willing to work overtime, weekends and evenings when required.
- Participating in and occasionally conducting safety meetings with the maintenance crews, regularly reviewing and updating SOP's that pertain to his or her department.

- Participating in Business Improvement and development initiatives
- Using the Company's values, goals and KPI's to inform all aspects of the department operation.

Qualifications

- Red Seal Interprovincial Journeyperson Millwright or Welder certification and/or an Engineering degree/diploma in applicable technical field.
- Minimum 5 years of related experience, preferably planning for the maintenance of milling, crushing, conveying and pumping equipment in the mining industry
- Demonstrates a dedication to promoting safety in the workplace
- Excellent communication skills and the ability to chair meetings
- Solid computer skills including the Microsoft Office suite and SAP
- Attention to detail and strong organizational skills
- Ability to identify and troubleshoot problems
- Attitude of environmental stewardship
- Diligence, honesty and integrity in all work-related activities
- Understands the reliability tools and techniques
- Understands world class lubrication and oil sampling techniques, and other condition-based maintenance practices.
- Previous supervisory experience considered an asset

Other Requirements

Candidates will be required to participate in a comprehensive qualification process, including:

- Successful completion of pre-placement functional screen
- Provide proof of a valid Class 5 driver's license
- Demonstrate eligibility to work in Canada
- Provide confirmation of valid educational requirements

Compensation

A competitive salary, performance bonus plan and benefits will be provided. This is not a camp operation and therefore the successful candidate will be required to relocate to the Kamloops area or travel and accommodation will be the responsibility of the successful applicant.

Inclusion, Equal Opportunity, Accessibility

New Gold is an equal opportunity employer committed to diversity and inclusion. We are pleased to consider all qualified applicants for employment without regard to race, color, religion, sex, sexual orientation, gender identity, national origin, age, disability, protected veterans' status, Indigenous status or any other legally protected factors. Disability-related accommodations during the recruitment process are available upon request.

Additional Information

We thank all applicants for their interest but will only contact candidates selected to advance in the hiring process. New Gold does not accept resumes from employment placement agencies, head-hunters or recruitment suppliers that are not in a formal contractual arrangement with the Company. Any resume or other information received from a supplier not approved by New Gold will be considered unsolicited and will not be considered.
