

Carpenter Journeyperson

Activity sector: Pulp and Paper

Site: Kamloops

YOUR ROLE

The Kruger Kamloops Pulp Mill is looking to hire a full-time Carpenter to join the Maintenance team.

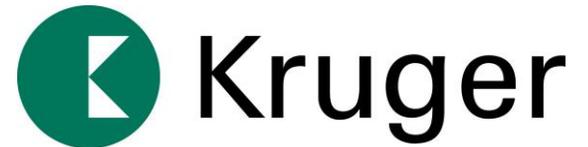

As a member of the Kamloops Pulp operation, the successful candidate will gain exposure to a wide variety of work in our Kraft Pulp Mill. The successful candidate will be responsible for scaffolding, repairs and general preventative maintenance of the plant. All positions will support the mill's continuous improvement efforts through maintenance activities.

YOUR SKILLS AND ABILITIES

- ✓ Proficient in scaffolding #1, general industrial carpentry duties, concrete work, base layout, working at heights and in hot areas.
- ✓ Ability to work effectively with other trades
- ✓ Strong oral and written communication skills
- ✓ Detail oriented with proven organization skills
- ✓ Ability to prioritize effectively, manage multiple tasks and manage a high workload
- ✓ Team player who can maintain effective working relationships with other personnel including trades, peers, superiors, etc.
- ✓ Committed to best practices in health, safety and environmental management
- ✓ Self-motivated, open-minded and results oriented
- ✓ Proficient with computers including experience working with a computerized maintenance system (i.e. SAP)

YOUR QUALIFICATIONS

- ✓ Possess a Carpentry Interprovincial Red Seal Certification secured through a formal apprenticeship
- ✓ Previous industrial experience working in a safety sensitive environment
- ✓ Possessing a dual ticket qualification is an asset
- ✓ Experience and certification in scaffolding considered an asset

JOB OPPORTUNITY
