New Gold attracts and hires highly skilled individuals. By joining our team, you can look forward to:

- A stimulating values-based work
- A culture of collaboration and inclusion
- Inspiring colleagues and approachable leaders
- Career development opportunities
- A deeply rooted commitment to responsible mining, health and safety and community engagement
- A competitive total compensation program
- A comprehensive benefits package including a retirement savings plan

## New Afton Mine

Situated 10 kilometers west of picturesque Kamloops, British Columbia, the New Afton Mine is an underground gold and copper producing site.

Kamloops is a city of 90,000 people, located 350 kilometers east of Vancouver. The area provides the opportunity to live and work in a vibrant community with its own university and within easy reach of world class ski resorts, championship golf courses, mountain biking trails, popular recreational lakes and award-winning vineyards.

## About the Role

**Schedule:** Monday to Friday; 8 hours shift

**Position Reports To:** Environmental Superintendent

**Position Overview:** This position will be an integral component of the environmental team in providing technical knowledge, environmental leadership, and operational support for the New Afton Mine.

## Key Responsibilities

- Technical oversight of the geochemistry monitoring program, including data analysis and supervision of field programs;
- Working in a team environment to maintain general environmental risk management across mining, processing and maintenance operational departments;
- Integrate with the site team to support the site Environmental Management System (ISO 14001 and Towards Sustainable Mining based), inclusive of environmental leadership and operational inspections;
- Facilitate compilation of annual regulatory reports;
- Experience in data interpretation and technical report writing;
- Remain current with technical advancements and integrate continual improvement into operation risk management;

- Support for ongoing permitting projects.

## Qualifications

- A degree in Environmental Engineering or Environmental Sciences with 5+ years of relevant experience.
- Analysis of environmental monitoring data.
- Management of geochemical monitoring programs.
- Operational risk management experience, including implementation of an Environmental Management System (i.e. ISO 14001) and Towards Sustainable Mining protocols.
- Registration with a professional organization (P.Eng., P.Geo., P.Ag., RP.Bio) or eligibility to become registered within next 12-24 months.

## Other Requirements

Candidates will be required to participate in a comprehensive qualification process, including:

- Successful completion of pre-placement functional screen
- Provide proof of a valid Class 5 driver's license
- Demonstrate eligibility to work in Canada
- Provide confirmation of valid educational requirements

## Compensation

A competitive salary, performance bonus plan and benefits will be provided. This is not a camp operation and therefore the successful candidate will be required to relocate to the Kamloops area or travel and accommodation will be the responsibility of the successful applicant.

## Inclusion, Equal Opportunity, Accessibility

New Gold is an equal opportunity employer committed to diversity and inclusion. We are pleased to consider all qualified applicants for employment without regard to race, color, religion, sex, sexual orientation, gender identity, national origin, age, disability, protected veterans' status, Indigenous status or any other legally protected factors. Disability-related accommodations during the recruitment process are available upon request.

## Additional Information

We thank all applicants for their interest but will only contact candidates selected to advance in the hiring process. New Gold does not accept resumes from employment placement agencies, head-hunters or recruitment suppliers that are not in a formal contractual arrangement with the Company. Any resume or other information received from a supplier not approved by New Gold will be considered unsolicited and will not be considered.
