

**ADAMS LAKE INDIAN BAND
JOB POSTING**

**Community Health Nurse (CHN)
(Full Time - Permanent)**

NATURE & SCOPE OF WORK:

Under the direction of the Director of Health and Wellness and in collaboration with the community and the health team, will contribute to the overall health of the community using a population health and community development framework. The CHN promotes traditional and cultural approaches to health practices. The CHN demonstrates knowledge and skills in assessing, planning, implementing, and evaluating community health nursing programming based on local knowledge and information; morbidity, mortality, and other statistics; population health, and current preferred practice as these relate to community health nursing practice. The CHN possesses an understanding of the social determinants of health and demonstrates values of community health promotion, commitment to the creation of health partnerships, and community development strategies. The CHN works in collaboration with other staff members and partnering agencies to ensure that all CHN programming is being delivered in a culturally safe and respectful manner. Respectful engagement with community members as equal partners in health service provision includes home and community visitation.
