## OFFICE OF THE CHIEF

### **Return to School – update August 28, 2020**

As the school year comes closer, Chief and Council would like to acknowledge that families are anxious about sending their children back to school. On behalf of Sk'elep School principal, Cheryl Sebastian, we want to reassure all families that we respect and understand their concerns and have taken them to heart in developing the Return to School Plan for Sk'elep School of Excellence.

The school is taking every precaution to work with health and safety personnel to ensure that the safety and health of our students, staff and families are at the forefront of our plans. The plans are reflective of the recommendations of Dr. Bonnie Henry and the Ministry of Education. It is important to recognize that the plan is a 'working document' and may be revised as necessary to provide the best possible education in a healthy environment.

Sk'elep School Reopening plan can be found on the TteS Website and will be circulated to all parents for their review. If parents have any questions, please contact the school for more information.

On behalf of Chief and Council we would like to thank the hard work of Principal Cheryl Sebastian who went above and beyond to ensure that our school would be safe for reopening in September for our children.

Remember we are all in this together! Be safe. Yecwestsútce = look after yourself

With respect,

**Chief Rosanne Casimir**  
**On behalf of Chief and Council**
