SCHEDULE – Conflicts Of Interest

PART I - Interpretation

Interpretation

1.(1) In this Schedule:

“spouse” means, in relation to an individual, a person to whom the individual is married or with whom the individual has lived as a common law partner for at least one (1) year in a marriage-like relationship; and

“this Law” means the Financial Administration Law to which this Schedule is attached and forms a part.

(2) Except as otherwise expressly provided in this Schedule, words and expressions used in this Schedule have the same meanings as in this Law.

(3) Sections 3 and 5 of this Law apply to this Schedule.

(4) If there is a conflict between a provision of this Schedule and this Law, the provision of this Law applies.

Definition of Conflict of Interest

2.(1) In this Schedule:

“Identified Individual” means:

- (a) a member of Re Kúkwpi7 ell re Tkukwenm7íple7 (Chief and Council);
- (b) a Tkemlúps te Secwépemc employee; or
- (c) a member of a Tkemlúps te Secwépemc committee

“Perceived Conflict of Interest” means a situation in which an Identified Individual’s personal relationship(s) or financial interest(s) could reasonably be perceived by an independent third party as conflicting with the Identified Individual’s duty to act in the best interests of Tkemlúps te Secwépemc membership as a whole, or in the best interests of any entity that is wholly or partly owned by Tkemlúps te Secwépemc. For clarity, in this Schedule a “conflict of interest” is the same as a Perceived Conflict of Interest.

(2) In this Schedule, an Identified Individual with a Perceived Conflict of Interest must:

- (a) disclose the Perceived Conflict of Interest, using the prescribed disclosure form, as soon as the Identified Individual becomes aware of it (the "Matter");
- (b) leave the room or meeting in which the Matter is being discussed for the duration of the discussion; and

(c) must not take part in any discussion or vote on any decision respecting the Matter in which the Identified Individual has a conflict of interest.

(3) If there is any doubt about whether a Perceived Conflict of Interest exists, T'kemlúps te Secwépemc requires the Identified Individual to err on the side of caution and follow the procedure set out in subsection (2).

(4) In the event that an Identified Individual with a Perceived Conflict of Interest is an employee and it is in the best interests of T'kemlúps te Secwépemc that that employee's job position be represented in dealing with the Matter, the supervising chief administrative officer or the chief financial officer must appoint another individual to temporarily fill the employee's position for the purpose of dealing with the Matter.

(5) In the event that the chief administrative officer or the chief financial officer has a Perceived Conflict of Interest in a Matter, the other executive manager must temporarily fill the position of the executive manager with the Perceived Conflict of Interest for the purpose of dealing with the Matter.

(6) In the event that both the chief administrative officer and the chief financial officer have a Perceived Conflict of Interest in a Matter, Tkukwenm7íple7 (Council) shall appoint another individual to temporarily fill the role of executive manager for the purpose of dealing with the Matter.

(7) In this Schedule, an Identified Individual has a Perceived Conflict of Interest when

(a) the individual exercises a power or performs a duty or function and at the same time knows or ought reasonably to have known that in the exercise of the power or performance of the duty or function there is an opportunity to benefit the individual's private interests; or

(b) individual has a Perceived Conflict of Interest if a reasonably well-informed person would perceive that the individual's ability to exercise a power or perform a duty or function of their office or position could reasonably be affected by the individual's private interests.

(8) In this Schedule, an Identified Individual's "private interests" means the individual's personal, family and business interests.

(9) Despite subsection (7), an Identified Individual's private interests do not give rise to a conflict of interest if those interests

(a) are the same as those of a broad class of members of T'kemlúps te Secwépemc of which the individual is a member; or

(b) are so remote or insignificant that they could not be reasonably regarded as likely to influence the individual in the exercise of a power or performance of a duty or function.

(10) Each determination of a Perceived Conflict of Interest must be made on a case-by-case basis.

(11) In general, any T'kemlúps te Secwépemc decision (whether made by Re Kúkwpí7 ell re Tkukwenm7íple7 (Chief and Council), employees or committee members) that directly impacts a

family member or close friend of that Identified Individual in a way that does not impact the majority of members of Tkemlúps te Secwépemc, will typically be a Perceived Conflict of Interest.

(4) A Tkwenm7íple7 (Councillor) must not influence or attempt to influence in any way before, during or after a Council meeting any discussion or vote on any decision respecting the circumstances in which the Tkwenm7íple7 (Councillor) has a Perceived Conflict of Interest.
