

## Employment Opportunity – Permanent Part Time Home & Community Care (HCC) Registered Nurse

---

### Position Summary:

Q'wemtsin Health Society is seeking a reliable and motivated Registered Nurse to join our home and community care team. The HCC nurse will work in collaboration with the multidisciplinary team, performing assessments and planning, implementing, and providing personal and nursing care to our community members.

All Nursing staff operate in accordance with the competency guidelines and full scope of practice within the Standards of Practice as outlined by the British Columbia College of Nursing Professionals, and according to organizational policies, procedures, standards, and specific protocols.

### Responsibilities:

- Assessment and referral - plans, delivers and evaluates professional nursing services in homes to individuals and/or groups
- Provides health education and treatment services to individuals, caregivers and groups to increase knowledge regarding health and to promote and enhance health status
- Coordinates home and community services with outside agencies
- The incumbent will be required to step into the care aides or nurses roles should they be away ill or on vacation
- Performs other related duties as required

### Qualifications and Skills:

- Registered Nurse with a Bachelor Degree in Nursing that is registered with the CRNBC and licensed to practise in the Province of British Columbia
- Three to five years recent experience as a home and community care nurse
- Ability to adapt clinical and professional skills to the home and community environments
- Must be in good health and physically able to move (sit, stand, bend and lift) intermittently throughout the workday - lift, push, pull and move a minimum of 22 kilograms
- Excellent verbal, written, and organizational skills

### Requirements:

- Current CPR and First Aid certification
- Criminal Records Check (vulnerable sector)
- Possess valid British Columbia driver's license and submit current drivers abstract
- Knowledge of Secwépemc culture is an asset, acknowledges cultural differences and supports diversity
