

How Does The Allotment Work?

In order to utilize The Homeowners Allotment, you can:

Make a purchase and submit your receipt to be reimbursed. Housing can also submit a purchase order on your behalf if the vendor accepts purchase orders.

Housing can submit a partial payment, as long as the homeowner has paid the difference to the vendor, and the vendor takes purchase orders.

If the vendor does not take purchase orders, please advise housing and we can look into creating an account to facilitate future transactions

Home Owners Allotments

The Housing Department offers each homeowner an allotted amount for various home repairs and maintenance.

Eligible expenses include:

- Appliances (i.e. range, fridge)
- Materials (i.e. drywall, paint)
- Labor (i.e. window installation, lock change)

What is not included examples include non-home related expenses i.e. groceries

Home Insurance Reimbursement

The Housing Department also offers a reimbursement for homeowners' Insurance. Any homeowner paying for private home insurance can get up to \$1284/Fiscal reimbursed, which is per year and renews on April 1st each year.

There is only one homeowner insurance reimbursement per home, and it must be:

- Primary residence on reserve
- Band member is a homeowner
- Band members must be residing in the property

To be reimbursed, you will need:

- Proof of your insurance policy number and dates of insurance coverage.
- Proof of payment with a receipt, and we will only reimburse after the whole year has been paid for.

For reimbursement or more info please contact the Housing Coordinator.
