TteS Honours and Celebrates Pride Week 2022

Weytkp Xwexwéyt-tp,

After a two-year hiatus from the Kamloops Pride Week Celebrations due to COVID, TteS is honoured to be celebrating Kamloops Pride Week 2022. The Pride Week activities are being held on the direct ancestral lands of Tk'emlúpssemc.

As an organization, we are committed to the fundamental values of respect, equality, and inclusivity for all. Pride week allows us the opportunity to hold space for and celebrate the contributions of the 2SLGBTQQIA++ communities. It is also time to reflect on the progress that has been made and acknowledge that there is still work to be done to ensure that everyone feels safe in being who they are.

TteS continues to be an ally and walk in solidarity with the 2SLGBTQQIA++ communities. It is all our responsibilities to ensure equal rights and representation of diverse sexual and gender identities.

Kukwstsétselp,

Tk'emlúps te Secwépemc
