

# Indigenous People in Trades Training Mechanical Sampler Program

TRU Kamloops

## Start building your future with TRU Trades

This fully funded 13-week **Mechanical Trades Sampler** will provide a great introduction to Millwright, Automotive, and Welding trades training plus a bonus week of Electrical trades. The program is mainly hands-on learning. The program will include relevant workplace certifications, industry tours, employment skills, and work experience. This sampler is an ideal starting point for individuals looking to explore mechanical trades!

Program Dates:  
January 2 - March 29, 2024
