ELECT FREDA JULES

X

FOR TK'EMLÚPS TE SECWÉPEMC COUNCILLOR

I am a member of the Tk'emlúps te Secwépemc, born and raised here. My spiritual name is Eagle Pipe Woman. I have one daughter Redwillow Jules whose father is Russell Means. I also have several traditionally adopted children, godchildren, grandchildren, and great-grandchildren.

I had been employed 34 years with TteS plus 2 years doing contract work with the band. As the Lands, Leasing & Tax Manager/Administrator I oversaw the property tax system which directly contributes to the TteS programming & services. I am an experienced public speaker. I worked with various TteS department and Chief and Councils. I served as the Shuswap Brother & Sister Society and Kamloopa Powwow for 10 years. I was the founding director on two national organizations - National Aboriginal Lands Mangers Association and First Nation Tax Administrators Association as well as one provincial society First Nations Alliance 4 Lands Management
