**T**echnology

**E**ngineering

**A**rt

**M**ath

**S**port

We will keep your child active and learning all day. Keeping them safe in a FUN environment.

### Teen Programs (13-18 Yrs.)

Teens are being offered the opportunity to learn new skills while Hiking & Mtn Biking in our local area. They will be developing leadership skills, collecting medicine & berries and learning cultural traditions. There are also volunteer opportunities available all summer long. Contact Jay or Anne.

## What Will Camps Look Like?

- All camps will be limited to **10 youth per camp**. Each camper will be assigned a space, **2m from their peers**.
- Physical distancing will be practiced (including recess/lunch times)
- Our curriculum will be based on **individual activities**
- Sign in/out as well as daily pickup/drop off by parent(s)/guardian(s) will occur **outdoors- Rides will not be offered**.
- Unfortunately, there will not be tours at our camps this summer
- Materials and shared surfaces will be **sanitized regularly**, according to BC guidelines.
- Participants will be required to **wash their hands frequently** (between activities and at the beginning and end of the day).
- **Wearing a mask will be a personal decision** for participants. Our safety plan prioritizes social distancing, frequent hand washing and small group sizes over PPE.
- TteS camps will run **9:00 am – 3:00 pm**. We will incorporate a 30-minute recess break and a 60-minute lunch.
- **No before-care/after-care**. Unfortunately, we will not be able to offer Before/After Care or a meal program this summer.
- **Different support strategies**. We may not be able to provide the same level of 1:1 support as we have in past year. Please reach out to us with any questions you may have regarding exceptionalities and whether our staff can provide care for your child while maintain safety protocols. We would love to hear from you what strategy may work for your child.
